Blecha: That's who we are

A young, dynamic team with 32 years of industry experience as an aluminium wholesaler.

What sets us apart today is our extensive stock, flexibility, speed as well as the reliable processing of our product and customer orders.

Our native speakers speak your language to ensure that orders will be executed smoothly.
Invoices are currently available in 11 different languages.

We guarantee our customers smooth order execution at the highest standard from the inquiry to the final delivery. This is why we already export to more than 60 countries worldwide.

We have a lot of enthusiasm for this material and it keeps growing every day. True to our motto:

*ALUMINIUM IS OUR BUSINESS -
INNOVATION OUR DESTINATION*
